NIGHT PAVING SCHEDULED ON NH 120 IN LEBANON AND HANOVER
WORK WILL ALSO INCLUDE GREENSBORO ROAD AND ETNA ROAD

The New Hampshire Department of Transportation announces night paving work is scheduled to begin Sunday July 16, 2006 on a one-mile section of NH Route 120 in Hanover and Lebanon.

This paving work will take place from the intersection with Greensboro Road south to the Dartmouth Hitchcock Medical Center's widening project. Also included in this project is the paving of two miles of Greensboro Road and 2.21 miles of Etna Road.

The work will take place nightly from 6:00 pm until 6:00 am for approximately one week, weather permitting. Uniformed officers and message signs will help guide motorists through the work zones. Lane closures and minor delays should be anticipated.

Pike Industries, of Belmont, New Hampshire is the contractor for the \$170,000 project, which is part of the NHDOT's Highway Maintenance District 2 paving program.
